

DOUBLE DEGREE BACHELOR Business & Management

MCI | The Entrepreneurial School®, Austria & Haaga-Helia University of Applied Sciences, Finland

The Bachelor program Business & Management provides students with practice-oriented management education and an overarching international focus. After having acquired fundamental knowledge and skills in various areas of business administration during the first four semesters at MCI, students have the opportunity to take part in a Double Degree program offered in collaboration with Haaga-Helia University of Applied Sciences in Helsinki, Finland. Whilst developing their language skills and expanding their international network even further, this program offers students the opportunity to specialize in one of two majors, either Financial Management or Human Resource Management. Furthermore, students have the unique possibility to organize their internship in Finland and thereby gain valuable work experience. Upon successful completion of the Double Degree Bachelor program, students will be awarded a Bachelor of Business Administration from Haaga-Helia University of Applied Sciences in addition to their Bachelor of Arts in Business from MCI | The Entrepreneurial School®.
